## ***Travel Fees:***

Local travel within a 30 mile round trip is free of charge. For local travel outside a 30 mile round trip, add 50¢/mile to the program cost. For travel outside a 120 mile round trip, add all transportation and accommodation costs from point of departure to point of arrival -- including hotel accommodation the night before and the night following a program and the cost of meals up to \$50/day.

## ***Payment Schedule:***

Programs must be finalized one month in advance, with the Tapestry contract signed, unless other arrangements are clearly made. A non-refundable deposit of 50% of the program fee is due two weeks after program booking. The remaining 50% is due on the first day of program facilitation, and all expenses are due two weeks after invoice submission. A 5% fee will be added for every two weeks that any payment is late.

## ***Supporting Materials:***

All supportive electronic equipment and program materials -- such as screen projector, white board, colored paper, and food -- are the responsibility of the venue sponsoring the program. These materials will be formally requested at least two weeks before program facilitation.
